

9th Annual Faith Fancher
Breast Cancer Challenge
5k Walk / Run
August 17, 2013
www.faithfancher5k.org

This is an Invitation!

Please join Friends of Faith (Fancher) Inc. as a partner in the effort to increase funding to support uninsured and under-insured Bay Area women (and some men) undergoing treatment for Breast Cancer. You can do that by becoming a Sponsor for the 9th Annual Faith Fancher Breast Cancer Challenge being held on August 17, 2013 in the Gazebo at Oakland's Lake Merritt.

The benefits of Sponsorship are many.

- Your company name will appear on all Walk promotional materials - posters, flyers, banners.
- Your company name and official logo will appear on the Event Website - www.faithfancher5k.org and on the Friends of Faith website: www.faithfancher.org viewed by more than a thousand participants leading up to the August 17th Walk. Your Logo is "live" and linked to your company site – allowing individuals instant access to your site by simply clicking on the logo.
- Your company name will be printed on the Walk t-shirt given to all participants
- Your company will receive Complimentary Entries for the 9th Annual Breast Cancer Challenge – based on Sponsorship level.
- Your company name will be displayed at Lake Merritt on banners and signage on Event day.
- Your company will receive an ad in our sponsor book which is handed to each registered participant.

Why support Friends of Faith, Inc.?

- All funds donated to FOF are allocated to local organizations, and all grants are given to recipients in the San Francisco Bay Area
- Your donation insures critical funding for the East Bay Breast Cancer Emergency Fund - a unique program which provides one-time financial grants for needy survivors as they reclaim their lives in the work world
- Your donation helps fund free mammograms to low income and uninsured women and some men
- The all-volunteer FOF Board is comprised of professions from the fields of media, business, medicine, and community groups who are committed to keeping Faith's mission free of politics, discrimination and judgment.
- We are staffed by one, paid, part-time, administrative staff member and our office space is generously donated by Sutter Health

What that means is:

- 94% of the funds we collect go directly to local Bay Area organizations offering direct services in support of uninsured and under-served women – and some men – battling breast cancer.

I hope that you will join us in this effort to improve the health of the Bay Area community.

Cordially,

Rosie Lee Allen
Chair/Producer
9th Annual Faith Fancher Breast Cancer Challenge
